LADY GOT SO WEAK COULD SCARCELY STAND

After Suffering From Many Female Troubles This Lady Heard of Cardui and Took It, She Says, "Until I Was Well."

"SOME TIME AGO," says Mrs. Buena McFarland, of R. F. D. 2, Boetic, N. C., "I suffered a great deal with weakness common to women. I had bearing-down pains, my sides and back hurt, and my limbs drew. I would get so weak in my knees I could scarcely stand."

"I was very nervous, and could not rest. I didn't feel like eating. I grew thin, and did not have ambition for anything."

"I had been trying other remedies ... but did not get any better."

"Some one told us of Cardui, and what it was recommended for. I also

took a Ladies Birthday Almanac and read of a case something like mine. I told my husband to get it and I would try it."

"I saw a great improvement after the first bottle (of Cardui), so I kept it up until I was well. Now I am the picture of health."

Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Cardui has stood the test of extensive use, for more than forty years, in the treatment of troubles common to women. Try it.

Many Millions Lost Annually BY CHECK RAISING

It has been reliably estimated that from thirty to fifty millions of dollars are being stolen annually from bank depositors who do not protect their checks.

It may never have happened to you—yet your next check may be raised.

It is next to impossible to write a check that is safe, unless protected with a modern device.

Remember that in these days every class of crime is constantly increasing and an unprotected check is a dangerous asset.

No matter to whom you give your check it is not safe for it may be transferred to another party or get into the hands of a dishonest employee, who by using a few drops of acid or by clever pen-changing can make over your check so that you would scarcely know it.

Do you know that your signature represents every dollar that you are worth? Is it not worth a few dollars of your money to protect it?

Don't put this matter off another day—but write for interesting literature on check protection. It does not obligate you at all. A post card will do.

We can supply you with any standard make of check writer or protecting device for half price or less.

An attractive proposition offered to live wire local salesmen.
